This ninth annual fundraising event featured a competition of professional as well as aspiring Louisiana chefs in the Iron Chef fashion. These chefs and others were asked to bring signature dishes with them for an audience taste fair/voting competition. The event also included a Louisiana style meal (seafood gumbo , shrimp etouffee and pork and sausage jambalaya) for all attendees. The Michael Foster Project Band and Something Blue Band performed for everyone's listening and dancing pleasure. The Varsity's foyer was filled with an array of auction items*.

Jenny Heroman, host to EATEL's Community Connection TV Show and lead singer for Something Blue Band was Mistress of Ceremonies for this fun-filled evening!
